

Intro to AI for Electrical Contractors

Unlock the Power of AI in Construction

When: Tuesday, November 3, 2026 -
Wednesday, November 4, 2026

Time: 9:00 a.m. - 3:00 p.m.

Where: Maryland NECA Office
1743 Dorsey Road, Suite 104
Hanover, MD 21076

RSVP: Deadline to register is **Friday, October 9, 2026**. Afterwards, all remaining spots will be available first-come-first served.

This class is ideal for C-level executives, team leaders, CIOs/CTOs,, and any team members interested in strengthening their understanding of artificial intelligence and how it can support their organization and career growth.

This course will provide an overview of the current state of AI, where the technology is headed, and how businesses can prepare for its continued impact.
