VDVNA Renewal and Resources

The Voice-Data-Video National Agreement (VDVNA) has been renewed as is from March 1, 2025, through February 28, 2026.

This bulletin is also a reminder that the VDVNA current agreement copy and all related documents are housed on the NECA website at <https://www.necanet.org/topics/labor-relations/pattern-agreement-guide-agreement-language> under the “National Agreements” section.

The NECA website link includes:

- [VDVNA](#) agreement copy (2021 is the most recent edition and still in effect)
- [Process for becoming signatory](#)
- [Letter of Assent](#) to the VDVNA
- Job notification form ([direct download](#))
- [Variance request](#)
- [Cell Site Construction and Demolition Addendum](#)
- [Cell Site Construction Memorandum](#)

From time to time, the IBEW International Office receives requests for new Letter of Assent approvals that are from an out-of-date copy which delays the approval process.

Additionally, NECA members have contacted VDVNA project site NECA Chapters or the Labor Relations department seeking agreement guidance while citing language from the outdated 2012 edition.

Please be sure your Chapter and signatory contractors have the current information available.
